Dear Friend,

I am happy to inform you that Jeff Davis has accepted our invitation to join EMU International as Assistant Director, in training. Jeff began working with me on January 1 of this year. We warmly welcome Jeff and Joanna into the EMU family and anticipate their contribution to our ministry team. I hope you will give them the opportunity to share their story of God's direction and the passion of their hearts to serve the Lord with EMU.

Our desire is to see Jeff and Joanna grow in their knowledge of EMU ministries around the world and use the abilities given them by the Lord to serve our missionaries. We believe that they are in a position that will maximize their service for Christ and fulfill His will for their lives. As God has provided the talents and skills for the task, I believe He will also supply everything that Jeff and Joanna need to serve as members of the EMU family. I invite you to join us in praying that those of God's choosing will join hands with them to provide the needed ministry support to carry out this service to Christ. Would you prayerfully consider being one to join with them? As you are invited to become a prayer and financial partner in their ministry, please ask God what your role should be.

During these next few months, Jeff and Joanna will be sharing their ministry with churches and friends. It would be a great advantage for Jeff and Joanna to have those individuals and churches desiring to support their ministry to begin giving as soon as possible. If you need more information, please let us know. My contact information is at the top of this letter. For more information on EMU International, you can visit us online at [emuinternational.org](http://emuinternational.org).

Thank you for your interest and concern for Jeff and Joanna. We look forward to your partnership with them.

In Christ,
