ENLIST ENGAGE

One continued area of financial need is our camp ministry in Uruguay. In 1976 the mission bought property outside of Montevideo and built a camp facility – Camp Emmanuel. Camps for children, teens, and families are held each summer with speakers often coming from the USA. During the rest of the year our various churches use the camp for retreats or as a conference ground. The camp website (https://meu.com.uy/Camp_Emanuel/) describes the mission of Camp Emmanuel. “Using the unique benefits of a Christian camp, we serve people by presenting God’s Truth with God’s love so that lives can change for the glory of God. We are a Christian organization at the service of the Local Church, using all activities outside the scope of the church to evangelize and edify, doing everything for the glory of God. We have a program that includes groups of people centered in Christ, living in a controlled environment, involved in both biblical preaching and biblical counseling, where the camper is guided to develop recreational, educational, social, and mental skills, knowing Christ as Savior, Lord and Friend.”

Today as I was personally worshipping God, I considered the story of Abraham’s greatest trial, when he was asked to sacrifice his son Isaac. The Lord provided a ram in a thicket to take Isaac’s place. More importantly, God has provided His Son, Jesus Christ to take our place on the cross. Jehovah-Jireh is that name of God that points to His provisions for us. As I consider what the future might hold financially for EMU, I am reminded that we serve Jehovah-Jireh, and He will provide. You are a vital part of the equation, as God provides for you, and then you help provide for our missionaries. Thanks to God, and thanks to you for your faithful provision.

Uruguay Fall Work Trip - Sep. 27 - Oct. 9

 Emanuel

Listed to the right are the projects to be accomplished at Camp Emmanuel for the Fall Work Trip. Because of travel restrictions, Rick Jensen will not be taking a team to Uruguay this year. However, there is still a list of projects that need to be accomplished. Henry Castro will be working with Pedro Donz , the camp director, to accomplish these projects, along with volunteers from several of our Uruguay churches.

- Replace the kitchen ceiling and exhaust fans (required by the government) – \$2,041
 - New sidewalks around the perimeters of the cabins – \$8,209
 - Repair the girls' cabin floors – \$3,840
 - Gutters for the chapel – \$1,220
 - Security Cameras – \$6,760
 - Fencing around the water tanks – \$910
 - Fencing for the front of the camp – \$2,956
 - Maintenance of the children's play area – \$975
- Total: \$26,911

In addition to the above projects, we also have a list of projects that do not require our time, only money.

- Repair of the dining room fireplace – \$2,266
- Remodeling the back porch, barbecue area – \$12,054
- Tables and benches for the campsite (ten total) – \$2,680

These projects are greatly needed, and we can't accomplish them without your help. Would you take a moment right now and ask God to help us meet these needs and at the same time ask Him if He would have you to contribute to this worthy cause?
