

Faith for Our FAMILY ADVENTURE

Dear Friends and Ministry Partners,

As Thanksgiving approaches, on behalf of everyone at EMU International, thank you for your faithful prayers, financial support, and partnership in helping our missionaries share Christ across the lands.

One highlight of my ministry travels this fall was speaking at the **Father-Son Campout** at **The Wilds Christian Camp**. Fathers and sons set aside everyday distractions to enjoy God's creation, strengthen their relationships, and grow together in Christ. My theme, **"Faith for the Family Adventure"**, came from ***Joshua 3-4,*** where Israel faced the flooded Jordan River. Before God parted the waters, the priests carrying the Ark had to step into the river. They had to "get their feet wet" before experiencing God's power.

That truth became the basis for our three sessions and our W.E.T. acrostic:

- **W** **The Word of Faith:** God's people move forward by trusting His Word.
- **E** **The Exercising of Faith:** Faith is expressed by obedient action, even when the way forward seems i impossible.
- **T** **The Testimony of Faith:** Remember God's faithfulness and pass it on to the next generation.

One of my favorite moments came at the close of the weekend. I encouraged each father and son to go to a nearby creek,

remove their shoes and socks, step into the water, and choose a stone of remembrance to take home. Like Israel's memorial stones in Joshua 4, those simple reminders pointed them back to God's faithfulness and their devotion to follow Him together.

Although this was not a missions conference, the connection to missions was clear. As families learn to trust God's Word and obey His leading, we pray God will raise up the next generation of pastors, missionaries, and faithful servants who will carry the gospel to their communities and around the world.

As we approach the holiday season, we are also preparing for our annual **Missionary Christmas Offering**. These gifts are a huge encouragement and support for our missionaries and national workers. We invite you to prayerfully consider participating as we seek to bless those investing their lives to advance the gospel.

Thank you for your faithful partnership. Your prayers, generosity, and encouragement help make ministry opportunities like these possible.

God blessed the rest of the month of October as I had the privilege of preaching in **Spartanburg, SC**, followed by Missions Emphasis Sundays in **Anderson, South Carolina, Alexandria, Virginia,** and **Rockville, Maryland.** Between those weekends, I was at **Faith Baptist Bible College** and **Appalachian Bible College,** sharing the burden of world missions with students seeking God's direction for their lives.

As I plan my **2027 schedule**, I am also grateful for churches that invite me to preach a Missions Conference or Missions Emphasis Sunday. Please reach out if I can be a blessing to your church family in any way. **(jeff@emuinternational.org)** It is always a joy to share what God is doing through EMU International and challenge others to take part in His mission.

With loving appreciation,

Jeff & Joanna Davis
